NARRATIVE

On the above date I received information in reference to a plane crash approximately 4 to 5 miles west of Perry. After receiving this information I started bolooing the area for the crash site. During this time, I was advised that a plane and helicopter had located the crash site and were circling the site. After receiving this information I located the airplane and helicopter in the area of Hampton Springs Hwy. and the Fenholloway River bridge. During this time, Dep. Blue and Dep. Padgett arrived at my location and we located a road on the east side of Hampton Springs Hwy. right past the Fenholloway Bridge that led us toward the crash site. After reaching the end of the road we left our vehicles and traveled by foot toward the crash site. After reaching the crash site I made contact with the pilot identified as Gary Brown. Brown advised me that he was the pilot of the aircraft and that he was fine. Brown also advised that he was the only subject on the aircraft when it crashed. Brown stated to me that he had experienced engine failure which caused the aircraft to go down. The aircraft went down in approximately 15 to 18 foot tall planted pines and the plane appeared to still be completely intake but had considerable amount of damage to the wings and tail of the plane. The crash site also had an aroma of fuel from the plane. During this time Dep. Padgett, Dep. Blue, Dep. Rickatson, FWC Officers, Fire Personnel, EMS Personnel, and Life Flight Personnel arrived at the location. Gary Brown was turned over to EMS Personnel and transported to Doctors Memorial Hospital where he was treated for minor injuries. The type of plane was identified as a twin engine Piper Aztec with Identification number N625SR. At this time I made contact with Myra from the FAA Communication Center in reference to the Plane crash. I then had a conference call with Myra (FAA Communication Center), Eric Alleyne (National Transport Safety Board), Mike Jones (Flight Standards), and Bob Blake (Flight Standards) in reference to the crash. After speaking with them I was advised that Mike Jones would be enroute to the crash site and would be investigating the crash. After receiving this information the scene was turned over to Dep. Padgett for security purposes until Mike Jones arrived.

The following Personnel listed assisted with this call, Taylor County Sheriff Office Lt. Gibson, Lt. Folsom, Dep. Padgett, Dep. Rickatson, Dep. Blue and Myself. Florida Wildlife Officers Albritton, Modonald, Bean, and Bailey. EMS Personnel Darba Gibson and Justin Buchanan, Life Flight Personnel (Shands Care) Dave Davis, Joni Godwin, Cecil Hall, and Wade Jones. County Fire Personnel Squad 1 Chris Williams. Foley Timber Personnel (Land Owners) Josh Gaff.

The following individuals also assisted with the call, Eric Alleyne (NTSD) [REDACTED], Mike Jones (Flight Standards) [REDACTED], Myra (FAA Communications Center) [REDACTED], Bob Blake (Flight Standards), Terry Dudrie (NTSB) [REDACTED] (FAX# [REDACTED]) (EMAIL address [REDACTED]), Atlanta Air Recovery (Todd [REDACTED]), Insurance adjuster (Eric Rank [REDACTED]), Plane Owner (Randall Sharp [REDACTED]), and Plane Pilot (Gary Brown [REDACTED]).

At this time I have no further information in reference to this case. This case will be turned over to Flight Standards and FAA for their investigation. This report will be forwarded to Terry Duprie (Fax # [REDACTED]). This case will be placed inactive.
