Eric,

Not sure what info I sent. Pilot information is below. Pilot said he gave NTSB a statement. I will send a couple pictures one at a time . The ones I send should tell the story.

Pilot Info.

Richard F. Burk  
[REDACTED]

Student Pilot GX-831038

Inspector Narrative;  
STUDENT PILOT ATTEMPTED TWO PREVIOUS LANDINGS ON RUNWAY 26. BOTH RESULTED IN GO AROUNDS. ON THIRD ATTEMPT PILOT LANDED LONG AND WAS FAST. AIRCRAFT BOUNCED TWICE AND LANDED ON THIRD BOUNCE. AIRCRAFT EXITED THE END OF THE RUNWAY, WENT DOWN AN EMBANKMENT AND FLIPPED OVER. AIRCRAFT CAME TO REST INVERTED. PILOT WAS NOT INJURED.

If you need further information, please contact me.

Please forward an NTSB Case number.

Thanks

Joe
