

MEMORANDUM FOR RECORD

Investigator: Brian C. Rayner
Senior Air Safety Investigator
Eastern Region

Date: May 13, 2014
Person Contacted: Mark Rempfer –Lockheed-Martin Flight Service
NTSB Accident Number: ERA14LA227 Covington, TN

Email:

Mr. Rayner,

A search for services was conducted from the reported time of the accident back 24 hours prior to that time.

This search revealed the CSC DUATS vender had contact with this aircraft and that the LMFS computer servers received an IFR flight plan on May 07, 2104 at 1038 UTC from the ForeFlight.com web site. The LMFS record indicates the flight plan showed a proposed departure from Dayton, OH (MGY) to Covington, TN (M04) on 5/7/14 at 1200 UTC, ETE 03+07 hours, fuel 04+45 hours, 1 person on board and pilot information as Paul Wingate 937-478-7238 MGY.

The CSC DUATS and LMFS data is no longer available as it is past the FAA required retention period.

Please let us know if we can be of further assistance.

Best Regards.

Mark Rempfer
