Date Report Received

4-9-15

In October 2013 we purchased a 2002 light Sport Kit Fox5 in Oregon.

We towed the plane home on the trailer that was included. The plane was in our garage until 8/31/14.

We had rented a hangar in Norwich.

We stopped at the Green Airport to show the plane. On 9/1/14 I unfolded the wings, put 4 gallons of gas into it and was taxiing and run ups to become familiar with the plane. I powered on 3 or 4 times. The last time I powered on, the wind lifted the aircraft. I tried to make 3 point ground contact and that is the last I remember.
