1906
(1907-1935)
1936

1936:45 LCS yankee victor one six seven four tamiami tower fly runway heading runway two seven left cleared for takeoff

1936:51 YV1674 fly runway heading cleared for takeoff runway two seven left

1937
1938

1938:13 YV1674 uh tower yankee victor one six seven four we have engine

failure

1938:19 LCS yankee victor one six seven four roger uh say intentions
you want to come back around

1938:24 YV1674 affirmative

1938:26 LCS yankee victor one six seven four roger uhm if you need to
just make make a one eighty and come back to the runway

1938:31 YV1674 uh traffic for runway two seven left

1938:35 LCS (unintelligible) that yankee victor one six seven four if
you need to make left traffic that's fine wind is un
right now zero three zero at five

1938:46 YV1674 zero five

1938:49 N68332 (unintelligible) turn base

1938:51 LCS negative do not turn base

1938:53 N68332 okay sir extend downwind

1938:58 YV1674 eh yankee victor one six seven four we need we need to
turn left left left wind down

1939

1939:06 LCS yankee victor one six seven four if you can make it to the
runway runway niner right cleared to land

1939:34 UNK tower uh looks like that airplane crashed

1939:37 LCS stand by everybody kay miami approach tamiami tower

1939:44 MIA miami

Page 3 of 3

1939:46 LCS yankee victor one six seven just went down he's he he
 crashed on about two miles west

1939:47 MIA oh my god alright okay alright thanks

1939:57 LCS kay cessna six eight three three two this'll be a full
 stop runway two seven left cleared to land turn base

1940

1940:06 N6925K (unintelligible) i'm sorry you have a cessna six nine two
 five kilo six miles to the southwest inbound for landing
 and we did see an explosion at our twelve o'clock

1940:12 LCS november six nine two sierra kilo we're aware of that
 traffic just departed runway two seven left ah stand by
 hold outside delta airspace

1940:20 N6925K roger we'll stand by outside delta six nine two five kilo

1940:25 LCS okay november six nine two five kilo ident

1940:28 N6925K two six kilo is identifying ah just in case you need to know
 the smoke is about uh half mile north of lindbergh's
 landing

1940:38 LCS yeah we're aware of it cessna six nine two sierra kilo
 thank you and uh make left traffic runway two seven left
