

MEMORANDUM FOR RECORD

Heidi Kemner
Air Safety Investigator
Eastern Region Aviation

April 2016

Subject: ERA15LA349
Who: Pilot's Wife – Mrs. Jean Moir

In a telephone conversation with Mrs. Moir, she stated the following:

- Mr. Moir took a couple of medications on the regular.
- He took vitamins, prostate medication, baby aspirin, and allergy medication.
- He didn't usually take the allergy medication unless she reminded him several times.
- "Generally, if he were sick, I'd have to make him take something." Otherwise, Mr. Moir wouldn't take anything at all.
