

## MEMORANDUM OF RECORD

**Eric Alleyne**  
**Air Safety Investigator**  
**Eastern Region Aviation**

---

**Subject:** Telephone correspondence with the accident pilot (Mr. Gary Fobes) concerning the accident.

December 3, 2016 08:50

During a telephone conversation with Mr. Gary Fobes the pilot of the unregistered ultralight, he stated that he had owned the ultralight for about 15 years. He used it to fly around the area from time to time. On the day of the accident he was flying around in the pattern when he encountered a gust of wind that pushed the ultralight into trees. He went on to say that there were no problems with the aircraft, he just lost control of it when he encountered the winds. Mr. Fobes said that he had about a 50 flight hours in the ultralight.
