

MEMORANDUM FOR RECORD

Brian C. Rayner
Senior Air Safety Investigator
Eastern Region Aviation

March 26, 2018

Subject: ERA17FA140 Dadeville, Alabama
Name: Mike Council – Continental Motors, Incorporated

Mr. Council participated in the on-scene portion of the investigation, as well as off-site examination of the engine and the airplane's maintenance records.

Mr. Council reviewed the maintenance records of the airplane going back 10 years. These records included a comprehensive sudden-stoppage inspection performed by an aircraft engine shop due to a propeller-strike event.

Mr. Council reviewed the work order for the sudden-stoppage inspection, and stated that the repairs and testing described comported with the manufacturer's inspection procedure.
