Record of Conversation – Mr. Bob Schuster – Pilot's brother

The pilot's brother, Bob Schuster, came to the accident scene with several family members on April 23, 2017. Mr. Schuster advised that the pilot was scheduled to participate in a "golf ball drop" fundraiser event on the afternoon of the accident. He did know the specific location of the event, but surmised it was at a nearby golf course. He was not aware of the pilot's route or itinerary.

A representative at the Hartsville Country Club in Hartsville, South Carolina advised that the golf ball drop was to take place at the Robert E. Lee Academy school in Bishopville, South Carolina. He did not know the time or any other details about the event.

A social media post confirmed the ball drop was schedule for April 21, 2017.
