Subject: ForeFlight Re: NTSB Request regarding Clearwater, FL accident from 5/5/2017

Hi Paul,

I did find an account for that pilot that includes a flight plan filed on 5/5 for N271TS from KGON to KHGR, but his account didn't include any plans filed for a Florida destination that day.

We will do some digging to see if he requested a briefing but didn't file a plan using ForeFlight Mobile, and I'll let you know.

Regards,
