Subject: MU2-Fatal investigation

Brian,

The San Juan FSDO-63 Aviation Safety Inspectors went to Rafael Hernandez airport in Aguadilla, PR to obtain information about N220N. Below are the preliminary details that were obtained during the visit;

1. No aircraft maintenance was conducted.
2. Aircraft arrived on May 12, 2017 and departed on May 15, 2017 at approximately 11:00 am.
3. Fuel service was provided on May 15, 2017.
4. According to witness Jose Lopez, Mr. Ulrich traveled in December with an older person (no name was found) and this older person considered Mr. Ulrich to have very little experience to fly this type of airplane.
5. Flight instructor for Mr. Ulrich was in late 80's and was from Tennessee, according to Mr. Lopez.
6. Training records of the fueling personnel were verified and no anomalies were detected. (attached certificates)
7. Photo of the Family at the FBO Rafael Hernandez airport (BQN).
8. Family truck still parked at the FBO.
