I was driving down the road, with my two kids in the car. I looked up and seen an airplane it hit the side of the wing on a tree and crashed down into the field beside the road. I hit my brakes and parked my car and ran over to a man laying face down bloody I screamed for someone to call 911. A lady in a house came over and said her husband was calling 911 and I also called 911 and they said they were on the way. TN [REDACTED]

As my husband was driving us down Parkers Chapel Rd, I noticed a low flying airplane that I assumed was coming in for a landing. Within seconds of seeing the plane, I saw it hit the top of a tree and crash nose first into a field on the corner of Airport Rd / Parkers Chapel Rd. area. I called 911 while my husband ~~the~~ checked the scene.
