Steve,

Could you tell me the flap position during takeoff

0 degrees

and the weight of each applicant?

Stephen Griffith 220#
Doug Allamong 250#
Karen Viruet 200#
Laura Griffith 150#

I've included Keith Johnson on a different email requesting the empty weight and balance, didn't know if he had better access.

Deferred to Keith Johnson

Thank you,

Brian Humphrey
