ON AUGUST 25, 2018, SWAINSBORO PD UNITS WERE DISPATCHED TO THE SOUTHEAST REGIONAL AIRPORT LOCATED WITHIN THE CITY LIMITS OF SWAINSBORO, GA IN REFERENCE TO A PLANE CRASH.

I PTL GAY AND PFC BEDGOOD WERE THE FIRST RESPONDERS ON SCENE, WHERE WE WERE MET BY A MR GOWEN WHO WAS ALREADY ON SCENE. MR GOWEN WAS IN A FRANTIC STATE POINTING AT THE PLANE SCREAMING THERE WAS STILL SOMEONE INSIDE THE PLANE. I PTL GAY RAN TO THE PLANE WHERE I OBSERVED ONE WHITE MALE LAYING FLAT ON HIS BACK UNRESPONSIVE, ONE WHITE MALE PARTIALLY HANGING OUTSIDE OF THE PLANE UNRESPONSIVE AND ONE MALE LEANED FACE OVER INSIDE THE PLANE PARTIALLY ON FIRE.

I PTL GAY RAN BACK TO MY PATROL VEHICLE WHERE I ATTEMPTED TO LOOK FOR A FIRE EXTINGUISHER WHERE I COULD NOT LOCATE ONE. PFC BEDGOOD RAN TO THE FENCE WHERE BY STANDERS WHERE STANDING AND THEY THREW A FIRE EXTINGUISHER TO HIM. I PTL GAY RAN BACK TO THE PLANE WHERE I ATTEMPTED TO PULL THE PARTIALLY STUCK WHITE MALE FROM THE PLANE, WHERE I THEN OBSERVED THAT HIS LEFT LEG WAS TRAPPED INSIDE THE BODY OF THE PLANE AND THE LEFT PORTION OF HIS FACE WAS CRUSHED IN. PFC BEDGOOD ATTEMPTED TO EXTINGUISH THE FLAMES AND THE PLANE ERUPTED INTO A BIGGER FIRE BALL. I PTL GAY AND PFC BEDGOOD RAN AWAY IN ORDER NOT TO BE CAUGHT BY THE FIRE.

I PTL GAY RAN BACK TO THE PLANE, WHERE THE FIRST WHITE MALE LAYING ON THE GROUND GASPED FOR A BREATH. I PTL GAY THEN GRABBED THE WHITE MALE BY THE STRAPS OF HIS PARACHUTE AND BEGAN TO DRAG HIM AWAY FROM THE PLANE. EMT-P R. LOVE RAN UP AND HELPED PULL THE WHITE MALE TO A SAFE LOCATION TO WHERE THE EMTS COULD DO FURTHER MEDICAL ASSISTANCE ON THE MALE.

I PTL GAY THEN RAN TO THE AMBULANCE WHERE I THEN GRABBED THE STRETCHER FOR THE EMTS AND BROUGHT IT TO THEM. EMT-P R. LOVE ASKED IF I COULD CUT OFF THE PARACHUTE OF THE MALE VICTIM WHERE I THEN GRABBED MY KNIFE AND BEGAN TO CUT AWAY THE STRAPS OF THE PARACHUTE. I PTL GAY RAN TO THE NEXT AMBULANCE, WHERE I RETRIEVED A SPINE BOARD FOR THE MALE VICTIM.

I PTL GAY AND PFC BEDGOOD DID EVERYTHING IN OUR POWER TO GET THE OTHER MALE VICTIMS OUT OF THE PLANE BUT THE FIRE WAS TOO INTENSE AND TOO BIG TO EXTRACT THE REST OF THE VICTIMS.

Just finished playing golf, with Tracy Thompson. I was loading my clubs into my truck and telling him good bye when we heard the plane sputter. We both looked up and saw it wobbling as if it was struggling to stay airborne. The plane looked like it tried to turn back left, and when it did, it went into a nose dive, (I think it was approx 40-50 feet in the air, maybe more). The nose hit the ground first & then the right wing. It really didn't seem like it was that high in the air when it started down, but it made a loud noise & violent crash when it hit. Parts of the plane flew off as it hit the ground. & parts from inside flew out as well. There were several other people in the parking lot of the country club when the crash happened. A couple of guys (Ronnie Bostwright) saw ~~it~~ it and started yelling. & ran to the fence.

Without being accused of or questioned about any criminal offenses regarding the facts I am about to state, I volunteer the following information of my own free will, for whatever purposes it may serve.

I called 911 and reported it. While I was on phone w/ the 911 operator, Ronnie was trying to climb the fence. I knew he could make it over, so I gave him my phone & Tracy helped me jump the fence. I ran up to the plane & noticed the front (engine area) was on fire. But the first thing I saw was a guy laying on his back outside of the plane (on the right side of the plane). He looked to be still strapped into a chair, or laying on something. I could hear him breathing. I didn't know how long it would take for help to arrive & I wasn't sure if I should touch him or not. As I was about to try & drag him away, I noticed the fire getting bigger. So I yelled for someone across the fence to get a fire extinguisher from inside the country club. I ran back over ~~to~~ to the plane, circled it and saw that

there were at least 3 other people ~~at~~ trapped inside. I circled over to the left side of the plane & saw who I thought was the pilot. The engine fire was very close to him & getting bigger. I could not get to him w/ the way the plane was positioned. I yelled for them to hurry ~~and~~ and get the extinguisher. Right when I looked up & yelled, they were bringing it out & threw it over the fence to me. I ran back & started spraying it on the engine fire. By now the smoke was really heavy & hard to breathe. I sprayed it on the fire, trying to get it out, but it seemed like the fire was just getting bigger & more smoke. I couldn't breathe or see anymore, so I ran over to the right side of the plane. As I was turning ~~around~~ around the nose of the plane I saw someone

inside the plane holding their hand up, waving it, like they (4)
were asking for help. I put the fire extinguisher down,
and jumped over the wing & pulled him out of the
opening ~~of~~ of the plane. I could instantly see that his
left ankle was dislocated. He was on his knees as I
pulled him out. He then rolled over on his back & I
grabbed the shoulder strap to his parachute, and drag him
further away from the burning plane. (he was yelling that
he "was hot") I grabbed the fire extinguisher again &
started spraying from the right side of the plane. (The fire
was starting to spread & I could smell fuel) I kept
spraying, but the extinguisher was empty now, & the fire
was getting bigger. By now I could see two Sudbury PD
vehicles approaching from the direction of the airport. There
was one guy in the front right side of the plane that looked
to be breathing & strapped in. I could tell the fire was getting
close to him. I ~~try~~ tried to undo his seat belt (or the
strap that had him held in there) I could not get it undone &
I did not have a knife. By now the two officers
ran up to the crash. I yelled to them we needed
a fire truck ASAP. They said they were on the way.
Then the two officers ran to the plane & one ~~was~~ looked to
be attempting to get the guy out that I had been
try to get out. (4)

(5)
The other officer (Daniel) ~~grabbed~~ grabbed the shoulder strap of the parachute (of the ~~guy~~ first guy I saw) and I ~~grabbed~~ grabbed the other strap & we pulled him away from the fiery crash. We then ran back over, but by now the fire had spread ~~thru~~ thru the entire cockpit (or what was left of it) and I could see the fire starting to burn the shoulder of the guy that me and the other officer were trying to get out. The two officers did an awesome job getting there & reacting as soon as they jumped out of their cars. But by now it was too late & the officers and I backed away as the fire took over. Other emergency vehicles & fire trucks began to pull up & I walked away from the scene & ~~answered~~ answered a few questions. Everyone that reported to the scene did a great job, but it was just too late. There ^{was no} ~~was~~ way ~~that they could've done more~~ they could've done more, unless they were sitting here waiting on the runway. I wish I could have done more, myself.
