

MEMORANDUM for RECORD

Ralph E. Hicks
Senior Air Safety Investigator
Eastern Region Aviation

Date: April 21, 2018
Person Contacted: Geoffrey Fleming, Pilot-rated Passenger in N9021X
NTSB Accident Number: ERA18LA002 – San Juan, PR

This investigator interviewed Mr. Fleming by telephone of April 2, 2018. He subsequently provided a written statement via email on April 21, 2018. I reviewed the written statement and it was consistent with the telephone interview. The written statement is included in the public docket for this investigation.

Mr. Fleming also reported during the telephone interview that there were no mechanical malfunctions or failures with the aircraft during the accident sequence. The engine was running normally at the time of the accident.
