

MEMORANDUM OF CONVERSATION

Aaron McCarter
Air Safety Investigator
Eastern Region Aviation

Date: September 14, 2018 and December 21, 2020
Person Contacted: John Lawing: Pilot/Owner
NTSB Accident Number: ERA18LA224

Narrative:

1. On 9/14/2018: Phone call with the pilot/owner (Lawing) to request his completed 6120 accident report. He spoke of the damage to the airplane and was seeing what his insurance company would say. He didn't know the cause but stated he would get the report submitted this week.
2. On 12/21/2020: A follow up email was sent to Lawing requesting additional information as to the cause of the engine stoppage. The email was not answered.

Subject: RE: NTSB

Mr. Lawling,

Were you able to get your airplane repaired sir? Did maintenance determine the cause of the engine stoppage. Aaron
