Description of Damage to Aircraft and Other Property (Use additional sheet if necessary)

Zero property damage - aircraft damaged, pending insurance appraisal + inspection of damages.

NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

On December 24, 2017, around 3:00, I took off from KFAD - Rutherford County Airport. I flew around the county in VFR conditions. I am building a private air strip for myself and wanted to review the approaches from the air during my flight. After a few approaches, I put full power to the aircraft and the engine sputtered and lost power. My only course of action was to attempt a landing and put the plane down as safely as possible on my land. I barbed and went off the side of the road/runway I'm building. I was the only one on board and I have minor injuries. My intended destination was KFAD.
