

NTSB RECORD OF CONVERSATION

Adam Gerhardt
Air Safety Investigator
Eastern Region, Office of Aviation Safety (ERA)
National Transportation Safety Board

Date: 11/11/2018
Person Contacted: Mr. Emerson (Witness and Weather Reporter)
NTSB Accident Number: ERA19FA039

Narrative:

Mr. Emerson was asked if he witnessed the accident airplane and if he could recall the weather conditions at the time of the accident.

He reported that he did not see the airplane but heard the sound an explosion from inside his home, which was about 1/4 mile from the initial impact point. He reported that he immediately went outside and observed that it was “snowing and sleeting very hard.” It was “very windy” and you “couldn’t see anything.”
