WHO HAS FIRST IDENTIFIED HIMSELF/HERSELF AS A LAW ENFORCEMENT OFFICER _____

APPROX 14:30HRS: WINDYER BRIGHT, LITTLE CLOUD, SUNNY AND
CLEAR.

From the 11th floor, flat 1106 of the above address, I witnessed
a single-engine airplane slowly making its way to the beach.
From about 50 feet altitude, it tried to land but seemed to try
to gain some height, but eventually dropped into the sea
approximately 100m from the beach. It dropped in, in level flight,
wheels first. I got the impression the pilot was trying to
get the aircraft to the beach.
Just as the cockpit went under, I noticed the pilot had managed
to free himself and escaped from the aircraft.
I then noticed various people from the beach attempt to swim out to
help the pilot. Two lifeguards eventually reached him, made him
safe in the water with floats and a board. A third lifeguard
made it out to him a few minutes later and brought him
to safety on the beach.

I certify that the information I have provided herein is true and accurate to the best of my knowledge. I also understand that under statute 817.49 I may be charged with a misdemeanor of the first degree for providing false information in this incident.
