

RECORD OF INTERVIEW

Daniel P. Boggs
Air Safety Investigator
National Transportation Safety Board
Office of Aviation Safety - Eastern Region

Date: February 25, 2019 @ 0830
Person Interviewed: Bill Lagoni-pilot
NTSB Case Number: ERA19LA041

Narrative:

Mr. Bill Lagoni was interviewed by telephone.

Bill stated he remembered the takeoff roll and was “having difficulty getting the airplane in the air”. The next thing he remembers is he woke up in the hospital several days later.
