Office of Aviation Safety - Eastern Region

Date: November 26, 2018 0845 EST
Person Interviewed: Susan Lagoni-wife/passenger
NTSB Case Number: ERA19LA041

Narrative:

Mrs. Susan Lagoni was interviewed by telephone.

Susan stated she is seated in the left rear seat behind her husband/pilot.

Susan did not remember to much as she was talking to the 8-year-old girl during the takeoff. She stated that she looked up at the time the left wing and propeller hit the trees, that is all she remembers.
