At 5:04pm the Putnam County Sheriff's office was notified of a plane crash west of US17 near the Landfill. The pilot and passenger suffered non-incapacitating injuries; they were able to advise the first responders that their aircraft unexpectedly lost power. The two occupants were transported to Orange Park Medical Center. The aircraft was equipped with a ballistic propelled parachute that did not deploy. Donald Andrews, an investigator with the FAA, stated he would be unable to respond to the scene until Monday, April 1. As a result the owner/pilot, who was at Orange Park Medical Center advised the Highway Patrol to recover the vehicle by rotation wrecker.
