Investigator: NORMAN, JAREECE / [REDACTED]

Entry Date / Time: 04/25/2019 16:17

Upon arrival at brewers bridge road across from kathwood drive ext. I sgt norman and other deputies walked in the field to make contact with the plane. We made contact back in the tree line and observed a blue and white plane sitting upright with a subject by the name of Joe Hunt inside. We flipped the plane down and assisted EMS with extracting Mr Hunt out of the plane. Once out of the plane Joe Hunt stated that his fuel quit working so he tried to prime it for his backup fuel to work. He stated that it didnt work either so he was to low and had to prepare for emergency landing and thats when he hit the trees. Joe Hunt was Transported to the hospital by EMS and the scene was locked down until further.
