In your own words, describe what occurred. What did you see and hear? What did you do immediately following the incident?

At 4^{AM} ± I took off from W41 airport for a quick "night practice" circuit (prior to a planned flight to NY). No cloud, no wind conditions. Rwy light were on but with inoperative PAPI (precision approach lights). After initiating final approach turn at what appeared normal height ... all the sudden trees came through the cabin (unseen until the impact). The plane a Piper Cherokee "6" 'N2750Q' was totalled. I & 3 dogs were soul occupants.
