

RECORD OF CONVERSATION

Todd Gunther
Air Safety Investigator
Eastern Region

Date: June 24, 2020
Person Contacted: Kevin Hess (President - Harford Air Services)
NTSB Accident Number: ERA20CA227

According to Mr. Hess, the student pilot was on a solo flight in the pattern at Churchville, MD, when during his second landing he landed the airplane on the nosewheel and lost control.

Mr. Hess advised that the wing spar was substantially damaged.

Mr. Hess advised he would forward statements from the student and his instructor along with a Pilot/Operator Aircraft Accident/Incident Report.
