

NTSB RECORD OF CONVERSATION

Lynn Spencer
Air Safety Investigator
Eastern Region, Office of Aviation Safety (ERA)
National Transportation Safety Board

Date: 12/7/2020, 2:30 PM EST
Person Interviewed: Eric Santana
NTSB Accident Number: ERA20LA207

The following is a summary of a conversation that occurred with the above-named individual:

- I asked Eric if he knew how much fuel was on board the airplane that day. He responded that he did not know.
- In response to how long they were flying, he stated that they were performing the high-speed taxi tests for about 30 minutes.
- He stated that they had done four high-speed taxis at “not too high” power and then would taxi back at normal speed between each test taxi.
- He stated that his father had previously owned one of these airplanes and had experience flying them.
