

MEMORANDUM FOR RECORD

Investigator: Brian C. Rayner
Senior Air Safety Investigator
NTSB - Eastern Region

Date: November 19, 2020
Subject: William Werth – NTSB Form 6120.1
NTSB Accident Number: ERA20LA213 Hampton, GA

Narrative:

The pilot did not submit an NTSB Form 6120.1 because he was recovering from his injuries and the necessary information was immediately presented at the time of the accident and the follow-up examination of the airplane.

The information was gathered from FAA Aviation Safety Inspector Danny Cox, who responded to the scene, documented the wreckage, interviewed witnesses, recovered aircraft and pilot records, and provided FAA records.
