

NTSB MEMORANDUM FOR RECORD

Adam Gerhardt
Air Safety Investigator
Eastern Region, Office of Aviation Safety (ERA)
National Transportation Safety Board

Date: 10/6/2020
Person Contacted: Todd T. Pryor (FAA Inspector)
NTSB Accident Number: ERA20LA342

Narrative:

The following record contains a summary of excerpts from an email provided by the above listed individual:

The inspector reported that he examined the accident airplane one day after the accident. The pilot provided him a statement and indicated that it was a normal landing until the left main landing gear gave out and pulled over him to the right off runway.

There were indications of a rusty tube connected to the left strut that has a riveted sheet metal cover.
