From: Timothy Tressel, FAA Inspector (Rochester, NY) FSDO

To: Leah D. Read, NTSB

Date: August 10, 2021

The following is an excerpt of an email from FAA Inspector Tressel in regard to an interview FAA Operations Inspector, Ms. Janet Porter, had with Mr. Raymond Greotsch, who was the accident pilot. Mr. Greotsch was seriously injured and hospitalized for several months after the accident. As a result speaking with Mr. Greotsch was delayed for several months.

"I wanted to update you on the accident in Great Valley New York from April. Inspector Janet Porter was able to interview Mr. Raymond Greotsch. Unfortunately he does not remember anything between the takeoff roll and crawling out of the fire."
