

MEMORANDUM FOR RECORD

Heidi Kemner
Air Safety Investigator
Eastern Region Aviation

October 10, 2020

Subject: ERA21LA015
Who: John Somiak - Witness

In a telephone conversation, Ms. Somiak stated the following:

- He is a local DPE and CFI. He was performing an examination at the time of the accident.
- He watched the airplane try to perform a go around when it stalled.
- It then veered off the runway and impacted another airplane sitting to the left side of the runway.
- The airplane was landing runway 24.
- The right wing was bent back, and the landing gear was damaged.
- He also mentioned that the airport manager has a video of the accident sequence.
