

MEMORANDUM FOR RECORD

Brian C. Rayner
Senior Air Safety Investigator
Eastern Region

Date: March 31, 2021
Person Interviewed: Zargar Amini – CFI
NTSB Accident Number: ERA21LA144 Boynton Beach, FL
Subject: Pilot Interview

Narrative:

Mr. Amini was the flight instructor providing instruction to a student at the time of the accident cited above. He provided a comprehensive written statement and was interviewed by telephone. The following is a summary of the interview.

Mr. Amini's version of events were consistent with his written statement and he needed only to provide a summary of his flight experience. He stated that he had 2,400 total hours of flight experience, about 800 hours of which was in the Cessna 172.

Mr. Amini estimated that his student, Mr. Murali, had about 20 total hours of flight experience, all of which was in the Cessna 172.
