

RECORD OF INTERVIEW

Daniel P. Boggs
Air Safety Investigator
National Transportation Safety Board
Office of Aviation Safety - Eastern Region

Date: 4/28/2021 @ 0800 EST
Person Interviewed- Anthony Linn – Pilot/CFI
NTSB Case Number: ERA21LA164

Narrative:

Mr. Anthony Linn was interviewed by telephone.

Mr. Linn statement was the same as his written statement. On takeoff, the airplane made a slight roll to the right, he tried to move the control stick to the left but it would not move, he aborted the takeoff and landed in the grass to the right of the runway. The landing gear fractured off and slid to a stop.
