

MEMORANDUM FOR RECORD

Douglass Brazy
Air Safety Investigator
Eastern Region Aviation

May 4, 2021

Subject: NTSB investigation ERA21LA203, Cessna 150H, N6915S, Williamson, Georgia, May 2, 2021. Conversation with pilot, William Cochran

Mr. Cochran provided the following additional information on May 24, 2021, via telephone (in addition to the statement provide with NTSB form 6120):

Mr. Cochran had performed tailwind landings on the same runway (31) previously, however on the day of the accident the tailwind was the “most intense” he had experienced at that airport [Eagles Landing Airport (5GA3)]. He added that the airplane “just floated” at the intended touchdown point.
