Subject: ERA21LA272 Follow up telephone call after helicopter examination			
Digest: In a follow up telephone conversation with Mr. Michael Granet, I asked if he remembered any other events from the day of the accident. He recalled that the helicopter was running fine. He said that after thinking about what happened he felt that he just loss control of the helicopter. I asked what may have been done differently to prevent the accident. He said that he just needed more training in the helicopter.			
Conclusions, Action Taken, or Required: The digest was reviewed with the Mr. Granet and he agreed with the content.
