LANDING ON RUNWAY 15. I WAS SITTING IN LEFT SEAT BUT BRETT WAS PIC. UPON LANDING, PIC FELT SOMETHING WASN'T RIGHT & INITIATED GO-AROUND. WE STARTED TO GO AIRBORN, BUT PLANE WAS PULLED TO THE RIGHT OFF THE RUNWAY. WE WENT OFF THE BANK INTO THE GRASS & OFF THE TAXI LANE & HIT A TRUCK PARKED BY A HANGAR.

I HONESTLY DON'T KNOW WHY HE INITIATED GO-AROUND. IT HAPPENED FAST.

THE MOST IMPORTANT THING ABOUT BEING A PILOT IS MAKING QUICK DECISIONS IN ORDER TO MAINTAIN SAFETY. BRETT, I FELT, DID GREAT AND MAINTAINED AS MUCH CONTROL AS POSSIBLE.
