Affidavit

State of Florida, County of Broward

My current legal name is Said Ahmed, and my current occupation is Fuel Safety Supervisor. I am presently 23 years old, and my current address of residence is [REDACTED]

On May 14, 2022, approximately 11:50 A.M. Eastern Standard time, a single-engine Cessna 172 with tail number of N8845Z, arrived at our Fuel Facilities, North Perry Central, located at The North Perry Airport in Hollywood/ Pembroke Pines, Fl.

A middle aged man proceeded to put 11 gallons of Avgas Fuel into the aircraft from our Fuel Farm. The entire process was performed by the man as he chose our self-service Fuel Tank. The man then waited a few minutes and two additional men arrived by land and joined him. They appeared to be in a rush as they all got into the aircraft and immediately taxied away without performing the basic safety procedures required and advised by the FAA prior to any flight. The next morning, Mr. Juan Garcia, an Aviation Safety Inspector from the Department of the Federal Aviation Administration, visited our Fuel Farm. Mr. Garcia performed a detailed inspection of our fuel quality that consisted of several fuel tests for Fuel purity and quality. Once his inspection was performed, Mr. Garcia stated to my manager, Mr. Raul Villa and to myself that the Fuel quality in our Fuel Farm was good and met all FAA regulations and standards of quality for dispensing Avgas Fuel. Mr. Garcia also commended us on the overall cleanliness and condition of our Fuel Farm.

I hereby state that the information above is true, to the best of my knowledge. I also confirm that the information here is both accurate and complete, and relevant information has not been omitted.
