Person Interviewed- Ted Stuckey – New owner/friend of pilot
NTSB Case Number: ERA22FA397

Narrative:

Mr. Ted Stuckey was interviewed by telephone.

Ted stated he and the pilot, Mr. David Stone were life long friends. They both served in the Air National Guard together back in 1975. Ted wanted to learn how to fly helicopters, so he purchased a helicopter and asked this friend David to fly it home for him. Ted flew David and his wife in his private airplane to Missouri to where the helicopter was located. Ted said he was worried about the weather and both he and David's wife tried to talk David out of flying that day and to wait until the weather improved. David did not listen to that advise and took off for Knoxville.
