

RECORD OF INTERVIEW

Daniel P. Boggs
Air Safety Investigator
National Transportation Safety Board
Office of Aviation Safety - Eastern Region

Date: 6/29/2022 1300
Person Interviewed-Mike Long – Pilot
NTSB Case Number: ERA22LA289

Narrative:

Mr. Long was interviewed by telephone.

Mr. Long stated he purchased the airplane about 6 months ago and just finished installing the wings. He has only flown the airplane about 5 to 6 times. He stated that he was practicing some touch and go landings when on approach to the runway, the airplane was a little slow and low on the glide path and tried to add power but contacted a car driving by on the road in front of the runway. He stated that there were no mechanical issues with the airplane.
