CERTIFICATE OF CONFORMANCE

Supplier hereby certifies that the material and/or parts listed on this packing list have been manufactured and inspected in accordance with the applicable specification of (1) the prime manufacturer, (2) the manufacturer's Technical Standing Order, or (3) US Government Approved Aeronautical or Military Standards and meet FAA airworthiness requirements and are in new or overhauled condition. The manufacturer's test reports are on file and will be available to the Buyer or the FAA upon request. Traceability to the manufacturer is also available for products that do not carry FAA approval.

Certified By: Jim Irwin, President

WAIVER OF LIABILITY & INDEMNIFICATION AGREEMENT

Inasmuch as Aero Performance has no opportunity to supervise the manufacture, installation, or maintenance of the parts supplied by it, nor any opportunity to participate in the design or manufacture of the various certified and homebuilt aircraft in which its parts are utilized, the purchaser by placing this order and accepting merchandise from Aero Performance agrees that all material purchased will be used solely at the purchaser's risk and that the purchaser will indemnify and hold Aero Performance, its owners and employees, free and harmless from loss, liability, or damage resulting from claims brought by reasons of any alleged failure or defect of any part or parts supplied by Aero Performance.
