State The Following:

I am speaking to Trooper Mapes regarding a plane crash I was involved in on 8/14/2022 at Sky Dive The Ranch, 55 Sand Hill Road in the Town of Gardiner, County of Ulster, State of New York. I am a member of the Westchester County Police Pilots association registration N33125. The plane model is a Cherokee 6 and its designation is PA32-300. At approximately 11:40 AM, while attempting to land the plane I landed on the runway applied breaks but could not stop so I attempted to go around and was unsuccessful. At this time the plane landing gear struck a fence coming to a rest in a private back yard across the road. I am not aware of any mechanical issues with the plane during the flight. When the plane came to rest all passengers exited the plane. During the accident I lacerated my right middle finger. I was checked by EMS and I have no other injuries but I feel sore. The trip started in White Plains NY and the Sky Dive The Ranch was my destination. This statement is true and accurate to the best of my knowledge.

State The Following:

My name is Princeton M. Mashack, DOB [REDACTED] I am giving the New York State Police a voluntary statement in regards to the plane crash that occurred at The Skydive Ranch, located at 55 Sandhill Road, T/Gardiner. On 8/14/22 at approximately 10:00 AM, I left White Plains Airport on plane N33125 Cherokee six with my father Michael Mashack who was the pilot, Dwayne Jones who was sitting in the rear passenger side and Pete Romano who was sitting behind the driver side. When we left White Plains, we went down South on the Hudson to the Verrazano Bridge, and back North on the Hudson. At the Tappan Zee Bridge we contacted a tower and believe we got transferred to Stewart Airport who kept us spaced properly. We continued to The Skydive Ranch, when we arrived we hit the runway, attempted to brake while on the runway and attempted a go around. Michael attempted a full throttle to gain altitude, the attempt failed and we crashed into a fence, ran through a yard and came to rest in a yard. I received attention from EMS for the laceration under my right foot but refused any other medical attention.

At approximately 11:40 AM, I was riding in a private air plane. I was sitting in the third row of the back seat. At this time the pilot, MICHAEL MAYSHAK started to attempt to land the plane on the runway of said location. During landing the plane on the runway I think I heard the pilot say "will go back around". The pilot attempted to take back off because he did not think he had enough room to land. At this time the plane went off the runway across the street into a private yard. Where I was sitting I could not tell if the plane was in the air or on the ground still when it went across the street. I do not remember anything else. I was not injured during this incident. The trip started in White Plains and Sky Dive The Ranch was our destination. This statement is true and accurate to the best of my knowledge.
