Mario Gioiello - Flight Instructor - [REDACTED]			
Avit Flight Academy Wadsworth Airport 3G3			
SUBJECT Accident Witness Interview			
DIGEST Inspector ACW interviewed Mr. Mario Gioiello			
With a student in a C172 getting out of the aircraft on the ramp at Wadsworth airport.			
Another employee of Avit Flight Academy, Joel, pointed to the accident.			
Mario never saw or heard the aircraft accident.			
Mario and Joel drove down to aircraft accident.			
Aircraft was nosed over, left main gear missing.			
Mario saw the beacon blinking, everything was on. Mario shut everything down by turning the			
master switch off.			
The mixture control was full rich. The throttle was set at full throttle, full forward. The			
carb heat was in the off position. Mario couldn't remember where the fuel selector was, but			
he turned it to the off position. All got back in the car and drove back to the ramp.			
Pilot and boyfriend and father left immediately after in her father's aircraft for Medina			
airport and returned in their car approximately an hour later.			
State trooper arrived when they were closing the runway.			
Weather reported as VFR winds calm. Father was following her in the pattern and was on			
downwind when the accident happened.			
CONCLUSION, ACTION TAKEN, OR REQUIRED This statement taken from Mario Gioiello.
