DIGEST Called Airman Cong Yan in group call with Inspectors listed above. Advised Airman of all Inspectors on call. Explained reason for call - to acquire additional information for -23. Airman Yan requested to slow down and ask questions differently as he is not a native English speaker. Requested copies of mtz logbooks and pilot records of currency/endorsements to be emailed. Airman provided engine type and airframe hour for -23. Airman Yan stated aircraft can hold 48 gallons of fuel, when he checked in Crystal River there were 15 gal of fuel on board. Asked Airman Yan how many gallons per hour aircraft burned, Airman replied 16 gal per hour. Asked Airman Yan how long flight was between Crystal River and Keystone Heights - he stated 30 minutes on average. Asked Airman FAR requirements for fuel reserves, he was unable to answer the question. Airman stated he used Crystal River AWOS, Foreflight, and Keystone AWOS to determine winds and weather. Airman stated all flight hours have been since September 2021 with Private Pilot checkride in December 2021. Received tailwheel, high performance, and spin training endorsements after Private. Airman provided flight hour responses for -23.															
CONCLUSION, ACTION TAKEN, OR REQUIRED Pilot will email requested documentation. Will contact in future.
