

Investigator Name: Leah D. Read
Title: Sr. ASI
Division: ERA

Date: October 25, 2023

Subject: ERA22FA008

Contact: Ashton Burton, pilot-rated passenger

In a follow up text-conversation, Mr. Burton was asked if he recalled the flight instructor, Viktoria Ljungman, discussing with the student pilot the technique involved with a "positive transfer of controls" prior to the accident flight. Mr. Burton responded, "I don't remember there being any transfer of controls prior to or during the takeoff." "No, nothing about giving the controls on the ground, only once in the air and cruising to conduct the flight."
