

Ralph E. Hicks
Senior Air Safety Investigator
AS-ERA

Date: 3/29/2023

Subject: ERA23FA070, Audio Recording

Dennis Mack, the Director of Operation for MedCenter Air, forwarded an audio clip that was recorded at the time of the accident. The recording was on the helicopter common frequency, 123.025.

A review of the 2-second recording revealed that the pilot of N7094J appeared to say, "Three's going down Sky Three's going down."
