- November 9, 2022:

Joshua Davis: "Well, I forgot to post the next milestone in aviation at the 500 hr mark, so here it is at 520 at FL 310!!"

Mike Beasley: "Congrats! What are you flying left seat in???"

Joshua Davis: "Mike Beasley citation 2"

Joshua Davis: "Mike Beasley flew down to Miami and back today.. gotta go back monday.. Monday.. after going to Baltimore and then ft Myers"

Mike Beasley: "Joshua Davis, are you type cert in it already?"

Joshua Davis: "Mike Beasley SIC only, MEI other seat"

Justin Tyler: "Nice job! A little right of course though"

Joshua Davis: "Justin Tyler imma blame that on the AP then"

- November 9, 2022:

Joshua Davis: "So, this is what it's like to see both sides of Florida at the same time"

Adam Clay: "Listen just because you can climb above the wx doesn't mean you need to rub it or faces for those that can't and have stuck on the ground lately due to crap wx."

Joshua Davis: "Adam Clay look... I hand flew the Seneca from sav to pdk to pxe yesterday.. the AP went out... and ceilings were 600 at pdk with rain... don't want to hear it"

Adam Tillit: "whatcha flying today?"

Joshua Davis: "Adam Tillit flying citation back from the keys..."

- December 12, 2022:

Joshua Davis: "I can enjoy these clouds..." Above pictures of the wing and cockpit of Piper Seneca, N3570B

Sean Feher: "Have far have you flown too"

Joshua Davis: "Sean Feher St Paul, Jonesboro Arkansas, key west, Nassau"

Mike Beasley: "Was this yesterday or today?"

Joshua Davis: "Mike Beasley today"

Joshua Davis: "Flew a M20P in it all too..."
