

Robert Gretz
Senior Air Safety Investigator
Eastern Region Aviation

Date: 10/31/24

Subject: ERA23FA352

Contact: Vincent Ecalle, BEA

The following was extracted from an email sent by Mr. Ecalle to NTSB Powerplants Engineer Tom Driscoll on the above date:

"Dear Tom

You could use the BEA report as you want . You could either copy/paste any part or include the complete report.

Best regards

Vincent
