| <p>           All systems checked for condition and proper operation. Wheel bearings cleaned and repacked. Battery and brakes serviced. Replaced induction air filter and right inboard wheel fairing bracket. Installed new aircraft battery RG24-11M. Checked and weighed cockpit fire extinguisher. C/W SB 2x-32-20 by installing access doors in main wheel fairings. SB 2x-71-10R2 Breather hose found to be P/C/W, installed new hose support. Installed LS-100-B landing height system tied to avionics buss through a 1 amp inline fuse and audio hooked to "Com 3" on the audio panel, this is considered a minor alteration. Installed an Alpha Systems AOA system tied to avionics buss through a 1 amp C/B, probe mounted to Alpha Systems Cirrus mounting plate under left wing and set to 45 deg, Indicator mounted on top of glareshield, IF and IO modules mounted to inspection panels in cabin floor in front of pilots seat, AOA switch panel mounted in pilots instrument panel, probe heat installed tied to buss using a 10 amp C/B switch mounted in the center console. Installation done I/A/W Alpha Systems installation instructions and applicable chapters of AC43.13 and is considered a minor alteration. Performed on the Ground Calibration procedure. An in-flight calibration procedure needs to be performed I/A/W Alpha Systems Operation Manual. C/W AD 08-11-18 by inspection of heat exchanger. ELT checked I/A/W FAR 91.207(d). All AD's checked thru 23-10.         </p> <p>           I certify that this <b>Aircraft</b> has been inspected in accordance with an <b>Annual Inspection</b> and determined to be in an airworthy condition.         </p> <p> <i>I certify that the work described above was performed in accordance with approved/acceptable data and is approved for return to service with regard to work performed.</i> </p> |                                                                                                               |           |                                  |         |        |        |                                        |            |
