

MEMORANDUM FOR RECORD

Timothy W. Monville
Sr. Air Safety Investigator
Office of Aviation Safety-Eastern Region

Date: August 7, 2025

Subject: ERA23FA370

Subject: Airplane Type Certificate Data Sheet Holder and Flight Manual or Pilot's Operating Handbook

The Model 415-C airplane Type Certificate Data Sheet is held by Univair Aircraft Corporation, of Aurora, Colorado.

As part of the investigation, an e-mail was sent to Univair Aircraft Corporation asking for an electronic copy of a Flight Manual or Pilot's Operating Handbook for the accident model airplane. A representative of Univair Aircraft Corporation replied, "At the time of the 415-C there was not an owners or flight manual available. Today when a customer request we send the weight and balance and the flight manual for the D model Ercoupe."
