

MEMORANDUM FOR RECORD

Joshua Young
Air Safety Investigator
Eastern Region Aviation

Date: 11/07/2022
Subject: ERA23LA049, Pelican Aviation Interview Summary
Contact: Eddie Bell, President

Mr. Bell was contacted by phone on November 07, 2022 at 1243 EDT he stated the following:

- N65615 did not get any fuel on October 28, 2022 when it returned or November 2, 2022 before it departed.
- Pelican Aviation is the only fueler at KDYB where the airplane could have purchased fuel on field.

The following is an excerpt from an email Mr. Bell sent to the IIC on November 07, 2022 with regards to fueling records of N65615:

“I have reviewed our records from October 1 2022 to November 7 2022. Pelican Aviation did not refuel N61615 during that time period.”
