

MEMORANDUM FOR RECORD

Joshua Young
Air Safety Investigator
Eastern Region Aviation

Date: 11/30/2022
Subject: ERA23LA051, Chief Pilot Interview Summary
Contact: Andrew Chan

Mr. Chan was contacted by phone on November 30, 2022 at 1345 EST. He stated that upon arrival at the airplane, after notification it had crashed, they checked the fuel tanks and the inline fuel filters on scene, none of which showed any signs of fuel. He then provided photos of the filters showing no sign of fuel.
